

Regional Builders Exchange Education Foundation

Flint sponsors design-build teams in an annual competition that successfully grows the collaboration between the building industry and local schools to highlight construction-based career opportunities..

Sierra Forever Families | Copper for Kids

Flint president, John Stump, serves on the board of Sierra Forever Families, where Flint donates scrap copper that is redeemed for cash and contributed to the Copper for Kids program through Sierra Forever Families. Copper for Kids recycling bins are installed at every Flint project site.

Mustard Seed School

Flint supports the Loaves & Fishes, Mustard Seed School program, which helps meet the needs of homeless children. Our renovation of a classroom included a new power service, audio/visual upgrades, new mechanical equipment, casework, flooring and ceiling. We continue to be involved with Loaves & Fishes through donations of office equipment and supplies.

"The strength of the team is each member. The strength of each member is the team." – Phil Jackson

Sacramento Construction Management Education Foundation

Our Industry support contributes to 100% job placement, passionate students, excellent professors, and continued outstanding performance in national competitions leading to on of the nation's top construction management programs.

California Raptor Center

Flint donated demolition work and construction of the midflight cage and eagle display for the UC Davis Veterinary Medicine California Raptor Center, where we support The California Raptor Center, an educational and research facility dedicated to the rehabilitation of injured and orphaned birds of prey.

Friends of Folsom Turkey Drive

Flint employees donated turkeys for the annual Friends of Folsom Turkey Drive which collected over 4,000 turkeys for local families in need.

Rebuilding Together Silicon Valley

Our team worked hard to repair two homes that were damaged from heavy rain the past season. Some sections of the Golden Wagon Wheel Park had seen over 3 feet of flooding.

Camp Winthers

Flint is a proud supporter of Camp Winthers. This camp is owned and operated by the San Juan Unified School District with donations and support from the local community. Flint has built and will install five new tent cabins and a dock just in time for the Summer 2018 camp season.
